Communications:

1. Update Reports to the Board- E-mailed from the Directors.

Old Business:

1. Community Survey -Mr. Flaherty discussed that the Board is considering a community survey to determine what the residents of Blendon think, what they like and don’t like, and changes they would like to see. The plan is to send a postcard with the option to request a survey or to go online, to cover as many residents as possible. City of Westerville has done this for many years and find it very helpful in determining what their city is doing right and pockets of discontent. We can target the winter or spring newsletter and that would be the best timeline, when people are inside because of the weather and have time to read. We are still collecting pictures for the calendar, along with function dates.

New Business:

1. OPEC-HC Benefits Renewal-Mr. Estep discussed with the Board the renewal from Medical Mutual through Ohio Insurances Services. Several options were discussed and Mr. Estep recommended Option 1. Option 1 is a straight out renewal with a 12.4% increase, and with the employee share, it will help with about 50% of the increase. Mr. Flaherty moved to accept Option 1 as presented by Ohio Insurance Services, maintaining the same coverage through Medical Mutual, with a monthly cost increase of 12.4%, net cost of 3% with employee contribution. Mrs. Heichel, seconded. Roll call: Mr. Flaherty, yes; Mrs. Heichel, yes; Mr. Welch, yes. Mr. Flaherty stated it is still a good option considering other insurance programs. Previous contribution approval stated $50 a month for single, $75 for couples, and $100 for family plans.

2. Bond Fiscal Officer Certificates-Mr. Estep discussed with the Board that he is required, as a step in the bond process, to present to the Trustees as Fiscal Officer, a certificate for each of the resolutions to be passed at this meeting. This states the purpose of the bond and the maturity of each bond: Res. 2016-16 is for $5,318,000.00, for projects already in place; Res. 2016-14 is for $693,000.00, for the cemetery improvements; Res. 2016-15 is for $86,000.00, acquiring two police cruisers.
