Director/Staff Updates: continued...
Fire Chief Miller reminded those homes with chimneys need to have them swept and don’t forget to leave the flue open when burning wood. If your carbon monoxide detector is over five years old please replace. If the detector does go off call 911 and leave immediately and don’t open any windows so the Fire Department can more easily detect the leak. A big thank you from the Board for handling smoke detector installations that continue indefinitely. The number to call for your detector is 614-901-6600 and “You Call We’ll Install”, within 24 hours.

Mr. Giamarco stated he has finished putting in the fall foundations in the cemetery. Paris Court road is being repaired. Top Cat Concrete has agreed to pay for the cement repair as they use it often. They will save the Township quite a bit of money.
