

## Blendon Central Cemetery – Annual Clean Up Notice

Every year, our crew at Blendon Township facilitates a Cemetery Clean Up in the summertime. During this clean up, they do routine maintenance and dispose of old and/or restricted items in the cemetery.

### Per our rules and regulations:

- Silk flowers placed on graves are only permitted from October through February. If they are not removed by March 1st, they will be removed and disposed of by cemetery personnel.
- Silk flowers are permitted anytime of the year **ONLY** if you have a headstone with a base and a permanently attached holder/vase.
- Artificial arrangements, wreaths, and grave blankets are permitted in the winter only. Decorations remaining after March 15th will be removed and disposed of by cemetery personnel.

Please review our full rules and regulations in this packet before these deadlines to ensure that your grave is free of restricted items.

We will update our website to reflect these deadlines. Keep an eye out for signs in the cemetery, which will indicate deadlines as well.
